## CLOSE SHAVE FOR WATSON BLDG. TEAM

Seven Hundred Fans Saw  
Snappy City League  
Game

Approximately 700 fans saw the B. & O. put up a stiff game against the Watson building nine last evening and come within an inch of tripping the boys from the big building. The Watsonites recovered themselves just in time and came across the platter with a single run which won the game by a 2-1 score. It was one of the best games that has been witnessed in the City league this season.

A feature of the game which will stand out as one of the fastest plays ever pulled off on the local diamond was a snappy triple play by the railroaders in the seventh inning.

Gerkins and Schimmel for the Watson building each hit safely, Gerkins going to third and Schimmel to second on a base on balls to Davis. There were three men on base and none down. Jacobs, the next batter hit a line drive to Gail Boice who threw to third base getting Gerkins. Instantly the ball was snapped to first base and Davis was caught at first. Three out were made in the one play and the side was retired and not a single run made. The score:

## Sport Chatter

By The Onlooker.

The B. & O. is not so slow after all. Boice, Mills and Harr looked like major leaguers the way they handled the ball in that triple play.

Looked as if the pinch hitter Graham was going to tie the score when he started that one for the tennis courts in the seventh, which Frank Smith pulled down out of the air.

Porter Knight of Idamay fame and "Jeff" of the same metropolis were spectators (in the front row) at last night's game.

Swimmers between the ages of 10 and 18 should get their name in for that swimming meet. Register now at the "Y."

The Monongah Glass fans were out in full force last night footing for the B. & O. They had better save their wind for tomorrow night the B. & O. plays the Monongah Glass and from the way things appear, they will need all the cheering possible.

Reports are out that Jacobs (the hundred dollar man) is going to play on the Consumer team.

Dawson and Pride will not play with the Mining Machine this evening. They are not eligible until next week.

## Machinists Will Play Bottlemakers

Another game of interest in the city league is the contest this evening between the Mining Machinery and Owens teams. The game will start promptly at 6:30 p. m.

The Mining Machinery last Saturday held the Watson building to a 5-4 score in a twelve inning game. If the Owensites win the game this evening they will have to put up a good game but with their improved line-up this should be an easy matter.

**Prof. Homer Hays, of Weston Found Health in a Bottle of Nerv-Worth.**

This well known music teacher and piano salesman came forward some time ago with the following remarkable tribute to Nerv-Worth, the great family Nerve Tonic:  
Nerv-Worth Co.—Have been a sufferer of stomach trouble and nervousness for a period of ten years and in that time have taken approximately \$300 worth of medicines but with no material benefit. A friend advised me to try Nerv-Worth and upon his recommendation, I purchased one bottle from M. B. Ralston, the Rexallite of our city, and after taking one-half a bottle of Nerv-Worth the result was so satisfactory that I surprised me indeed. In all I have taken three bottles of Nerv-Worth and am proud to say that I feel like a new man.
